Confident Online is a series of free digital literacy workshops designed for older adults and others who want to use technology more safely and confidently in everyday life.

August 25 – Cybersecurity & Avoiding Scams
Learn how to recognize common online, email, text message, and phone scams, protect your accounts and personal information, and know what to do if you think you've been targeted.

September 22 – Windows & Mac: Working Smarter, Not Harder
Discover helpful tips, shortcuts, and everyday computer skills that can help you save time, stay organized, and get more done with less frustration.

October 27 – Understanding Your Smartphone
Learn how smartphones collect and share information, how location tracking works, and what privacy settings you can adjust to better control your personal data.

November 24– Banking Safety & Fraud Prevention
Learn about identity theft, financial scams, safe online banking practices, and practical steps you can take to protect your money and financial information.

Non-Tech Topics: Emergency Preparedness

December 22 – When 911 Isn't Coming
Learn practical steps you can take during emergencies when help may be delayed, including preparedness, communication, situational awareness, and self-reliance.

January 26 – Stop the Bleed™
Learn lifesaving techniques to control severe bleeding and provide immediate care until emergency responders arrive. This nationally recognized course includes hands-on instruction.

Free one-on one tech help is also provided by United Way volunteers. Contact United Way at (603)882-4011 or info@unitedwaynashua.org to make an appointment.

When:

2pm to 3:00pm on the Fourth Tuesday of Each Month

Where:

YMCA of Greater Nashua
24 Stadium Drive
Nashua, NH
